Every room has two queen beds. I have 15 reserved.

Guests can earn both HHonors points & airline miles. Complimentary free hot breakfast, wi-fi, indoor pool & fitness center, computer room. Microwave and refrigerator in all rooms. Please call or [click](#) to make your reservations early so we can request more rooms if needed (you can cancel up to 72 hours before arrival for a full refund).

After reserving your room, please let Jeanne know. Also let Jeanne know who your roommate is or tell her you would like to share a room.

For those who can arrive early Friday, I'm thinking about having a bike ride on a local bike path. Then a possible late afternoon short hike in Woodland Cemetery to see famous monuments and mausoleums with beautiful stained glass windows.

More information to follow as plans are made. Please don't wait too late to make your reservations
